Swami Bhoomananda Tirtha

- Poojya Swamiji embraced sannyasa at the age of 23.
- Poojya Swamiji is from the Dasanami Tirtha lineage and received Brahmavidya initiation from Baba Gangadhara Paramahansa of Dakshinkhanda (West Bengal).
- For over six decades now, Poojya Swamiji has been giving rational expositions on Bhagavad Gita, Shrimad Bhaagavatam, Upanishads and other spiritual texts.

Teachings

Poojya Swamiji upholds that all problems in human life are born of the mind, and so the solutions are also to be found within the mind. The path is simple: One must make the outgoing mind look inward. This is effected through two means:

- **Meditative absorption**, where the seeker discovers the real nature of the mind as well as the world.
- **Interactional Saadhana**, a technique of shifting our focus from the external situation to the mind's response to it, and treating the mind through knowledge.

Sannyasin Disciples of Poojya Swamiji

- **Swami Nirvisheshananda Tirtha (Nutan Swamiji)**
Was initiated into the pursuit of Brahma Vidya by Baba Gangadhara Paramahansa. In 1987, he renounced his professional life and dedicated himself to the service of Poojya Swamiji.
- **Ma Gurupriya**

Guru-bhakti and Guru-seva are expressed throughout Ma's discourses, writings, inspirational recitation of shlokas, and loving care of Poojya Swamiji's "spiritual children".
