Lineage

- Swami Nirvisheshananda Tirtha was deeply spiritual from a very young age. At 24, he was initiated into the pursuit of Brahma vidya by Baba Gangadhara Paramahansa of Dakshinkhanda, West Bengal.
- In 1987, he renounced his professional life and dedicated himself wholesomely to the service of Poojya Swami Bhoomananda Tirthaji in all aspects of his mission: knowledge dissemination, value-education and socio-religious reform.

Swamiji says : “The goal of Spirituality is to make us master of the world by making us master of our own mind and intelligence.”

*“We think we are enjoying the sense objects.
But, each day we become more and more slave to the
objects and the objective situations.*

*Spirituality redeems us from this slavery,
enables us to embrace any world situation
with poise and unaffectedness.”*

*“Shift the focus from external situations,
to the mind's response to them.
Do whatever leads to inner expansion,
strength and transparency.”*

-Swami Nirvisheshananda Tirtha
